The Second Half of Life: Exploring Opportunities

The Second Half of Life: Exploring Opportunities 2 Hrs \$22

What will you do with your stretch of time called retirement? A new retirement model is emerging and it involves more than just managing your money. It involves managing your life! This is the time to reinvent, rediscover, reframe, and reenergize.

Join us to discuss, sooner rather than later, the options now available. We will learn from each other while discussing the opportunities that exist as we strive to live a quality life for the rest of our life.

Taught by Jann Freed, PhD, Certified Sage-ing Leader, Registered Corporate Coach.

P175101W Roosevelt-1870 Monday, November 7 7-9 PM

Registration accepted by check, money order, VISA, MasterCard or Discover. Please register with:
